FEATURES

Continuous refill
Lecoaspira 720 Lux's continuous refill system ensures an unlimited working autonomy.

Eco-Active water filter
The special water vortex of Eco-Active Filter traps the dirt and retains it in water, preventing dust to be released back into the environment.

Washable HEPA filter
The HEPA filter stops impurities, pollens and dustmites.

Solid and liquid dirt
Thanks to its water filtration system Lecoaspira can vacuum up all kinds of dirt including liquids.
